

MOUNTAIN MAYHEM BILLY CART DERBY

We have updated the specifications for billy cart entries. Please check the rules and regulations carefully, and print out your entry form to enable speedy processing on the day. Look forward to meeting all our racers.

Cart Dimensions and Specifications

All Billy Carts

Overall length of cart wheel base not to exceed 2 meters

Overall width not to exceed 1.2 meters

Must have 2 axles, minimum spacing between axles 400mm

Must have 4 wheels, pneumatic or solid tyres. Wheels can be of any diameter.

Maximum weight [without driver] 70kg

All billy carts must have a tow hook front and rear [for towing back to start line]

The same cart can only be used by one driver in each category

Categories for junior [16 years and under] and senior [over 16 years]

Traditional carts can race in junior category only.

Billy Cart Specifications Traditional

Traditional carts only open to junior drivers [under 16 yrs. old]

Carts must be wooden construction

Carts must have rope steer [steering limited to 30 degrees in either direction]

MUST HAVE WORKING BRAKES

Wheels are to be retained in a safe manner

Seating must be fixed to the frame.

All other Billy Carts

Carts can be constructed from any light weight material. Overly heavy carts or those with excessive ballast will not be allowed.

All components on carts are to be of sturdy construction

Carts are to be equipped with adequate brakes for their speed. We prefer brakes on both rear wheels. No

Front Brakes

Seating is to be fixed to the frame and in an upright position

Steering is to be mechanical in nature, and limited to 30 degrees in either direction No rope steer

Wheels are to be retained in a safe manner

There shall be no sharp protrusions or ornaments

No motors, sails, pedals, paddles or any other propulsion devices are allowed unless you're really sneaky and we can't find them. Gravity is your only help.

Corporate Billy Carts

New for this year is a corporate category. Carts must comply with general regulations but are required to carry corporate signage for whom they represent. The category will be sponsored by Central Coast Plateau Chamber of Commerce who will be providing a spectacular trophy for the winner. Some publicity will be available for entrants.

Driver Requirements

An approved cycling or motorcycle helmet **MUST BE WORN**

It is strongly recommended that drivers wear long sleeved shirts, and long pants, boots or enclosed shoes.

[No thongs, sandals or bare feet]

Each driver must be able to control the steering and brakes

Carts can only be used by one driver in each category

Only one driver per cart, no passengers.
